MEMORANDUM FOR: NIO for Counterterrorism and Narcotics

FROM: Executive Assistant to the DDCI

Charlie:

Regarding the attached, obviously the DDO should provide whatever support it can. You should advise General Williams, however, that we cannot be helpful on any individuals living in the U.S. and that he should go to the FBI for that portion of his request.

On a separate subject, John was under the impression that you were going to draft a letter for the Director or him to Defense expressing our concern about General Stiner's testimony at the SSCI Counterterrorism Hearing. Please give me a buzz and let me know what you plan to do on that.
